

BUCKSWOOD NEWSPAPER

NEXT STOP: THE FUTURE...

January-June 2026

SCHOOL EVENTS

Book Day

Book Day was a vibrant celebration of creativity, imagination, and a love for reading. Students and staff brought stories to life by dressing as their favourite book characters & engaging in collaborative activities.

Charity Souk Event

Children created and sold their own handmade products while families came together to support their efforts. All proceeds were donated to charity, making it a meaningful celebration of creativity and giving.

THE NEXT STEP OF THE JOURNEY FROM DR. TAMAR

At Buckwood Riyadh, every year is another step towards becoming the school we set out to build. A school with heart, purpose, and ambition. We don't follow trends; we leave trails - always striving to do what is right for our children and preparing them to navigate a changing world.

Our greatest achievements are still ahead, and I am grateful to be taking this journey together with our students, families, and Buckwood staff.

PREPARING YOUR CHILDREN FOR LIFE!

ROYAL COMMISSION FOR RIYADH CITY & BUCKSWOOD - COMMUNITY PARTNERSHIP

LANGUAGES & ISLAMIC STUDIES

SPANISH

ARABIC

Students develop language skills, cultural understanding, and values through engaging and meaningful learning experiences.

EARTH DAY

The children participated in a park clean-up and learned the importance of caring for our environment. Through our No Plastic project, they explored simple ways to reduce plastic waste and make eco-friendly choices every day.

SPELLING BEE

Our young spellers impressed with their confidence and accuracy in this year's Spelling Bee.
